A. What are automobile and adaptive equipment benefits and how does VA decide what I will or will not receive?

1. Allowance towards purchase of vehicle

A veteran or serviceperson must possess one of the following disabilities as a result of injury or disease incurred or aggravated during active military service:

- loss or permanent loss of use of one or both feet, or
- loss or permanent loss of use of one or both hands, or
- permanent impairment of vision in both eyes with a
 - central visual acuity of 20/200 or less in the better eye with corrective glasses, or
 - central visual acuity of more than 20/200 if there is a field defect in which the peripheral field has contracted to such an extent that the widest diameter of visual field has an angular distance no greater than 20 degrees in the better eye.

Veterans who are receiving compensation under U.S.C. 1151 for any of the above disabilities are also eligible. This payment is a once-per-lifetime grant, and the amount paid is limited by law. Contact VA for the current rate. **Important:** Do not purchase a vehicle until authorized by VA. VA is required by law to pay the benefit to the seller of the vehicle. Payment cannot be made to the veteran or serviceperson.

2. Adaptive equipment

A veteran or serviceperson who qualifies for the vehicle allowance also qualifies for adaptive equipment unless he or she is blind, requires a driver, or doesn't have a valid State driver's license or learner's permit. See the attached list for more information about adaptive equipment. **Important:** VA will not pay for the purchase of add-on adaptive equipment (equipment furnished by someone other than the automobile manufacturer) that is not approved by VA. Contact the nearest VA health care facility for more information on add-on equipment. The adaptive equipment benefit may be paid more than once, and it may be paid to either the seller or the veteran or serviceperson.

3. Special drivers training for disabled veterans contact the nearest VA health care facility to request this training.

B. What conveyance may be purchased?

You may purchase a new or used automobile, truck, station wagon, or certain other types of conveyance if approved by VA.

C. When should VA Form 21-4502 be submitted?

There is no time limit for filing a claim; however, the claim must be authorized by VA before you purchase the automobile or conveyance.
