

INSTRUCTIONS FOR MEDICAL EXPENSE REPORT

VA may be able to pay you a higher benefit rate if you report medical expenses for VA to deduct from your income. Your benefit rate is calculated based on your income. Your out-of-pocket payments for medical, optical and dental expenses may be deductible.

This form is used to report any medical expenses that you paid for yourself or for a relative who is a dependent member of your household (spouse, child, grandchild, parent, etc.), for which you were not reimbursed and do not expect to be reimbursed. Below are examples of expenses you may include, if applicable:

- · Hospital expenses
- Doctor's office fees
- Dental fees
- Prescription/non-prescription drug costs
- Vision care costs
- Medical insurance premiums
- Nursing home costs
- Hearing aid costs
- Home health service expenses
- Expenses related to transportation to a hospital, doctor or other medical facility
- · Monthly Medicare deduction

THE FORM IS COMPRISED OF 8 SECTIONS. BE SURE TO ANSWER THE QUESTION(S) IN EACH SECTION AS REQUIRED.

SECTION I: VETERAN'S IDENTIFICATION INFORMATION	SECTION V: OTHER MEDICAL EXPENSES
SECTION II: CLAIMANT'S CONTACT INFORMATION	SECTION VI: MILEAGE
SECTION III: REPORTING PERIOD	SECTION VII: CERTIFICATION AND SIGNATURE
SECTION IV: IN-HOME CARE AND CARE FACILITY EXPENSES	SECTION VIII: WITNESS TO SIGNATURE

This form contains the following addendums and worksheets that may be required to support your application:

Addendum:

- A: In-Home Care or Care Facility Expenses
- B: Other Medical Expenses Continued
- C: Mileage Traveled for Medical Purposes Using Privately Owned Vehicle

Worksheet:

- Residential Care, Adult Daycare, or a Similar Facility
- In-Home Attendant Expenses

IMPORTANT INFORMATION

- All medical expenses must be reported on VA Form 21P-8416, *Medical Expense Report*. This form contains
 optional addendums that you may submit to supplement this form without the need to submit multiple copies of
 VA Form 21P-8416. You may submit as many copies of each addendum as you need. If you leave the questions on the
 addendum blank, VA will assume you are not submitting any additional medical expenses beyond the pages received.
- Do not include any expenses for which you were or will be reimbursed. If you receive reimbursement after you have filed this claim, promptly notify VA by submitting a completed VA Form 21-4138, *Statement in Support of Claim,* or by contacting our call center at 1-800-827-1000.
- VA can deduct allowable expenses paid by either you, your spouse (for veterans) or other relative that is a constructive member of the household.

NOTE: **Constructive member** means the expenses can be for a spouse in a nursing home, a child away at school, or a similar situation. The expenses were incurred on behalf of the claimant or a relative of the claimant (not necessarily a dependent for VA purposes) who is a member or constructive member of the claimant's household.

- If you are unsure whether VA can deduct a payment for a particular expense, furnish a complete description including the purpose of the payment. VA will inform you if an expense cannot be deducted.
- If you are claiming vitamins, food supplements and/or herbal remedies, VA may allow these expense deductions on a limited basis (per household member and calendar year). If the deductions are over the limit per household member, VA requires evidence from a healthcare provider instructing the claimant or other dependent member of the household to purchase vitamins, food supplements and/or herbal remedies. Please ensure these expenses are listed separately per household member.

IMPORTANT INFORMATION (Continued)

- DO NOT submit receipts for medical expenses you paid. VA may require you to verify the amounts you paid in some circumstances. Therefore, please keep all receipts or other documentation of payments for at least 3 years after receiving a decision on your medical expense claim. If you are unable to provide documentation of your claimed medical expenses when VA asks you to do so, your benefits may be retroactively reduced or discontinued.
- Submitting a new VA Form 21P-8416 without reporting a previously counted continuing medical expense may result in removal of the medical expense from the date of receipt of the form.
- If reporting expenses for a nursing home facility, please also submit VA Form 21-0779, Request for Nursing Home Information in Connection with Claim for Aid and Attendance. Important - This only applies if your care facility is found under the "Nursing homes including rehab services" section of the following website address: https://www.medicare.gove/care-compare.
- If you are claiming expenses for an in-home care provider or for assisted living or similar care, each care provider should complete the applicable worksheet for VA to determine whether all or some of your payments to the provider or facility are deductible. The applicable worksheets are:
 - o Residential Care, Adult Daycare, or a Similar Facility OR -
 - o In-Home Attendant Expenses
