SUBJ: Compliance Inspection Fees

**Purpose**

Effective immediately, the Department of Veterans Affairs (VA) has increased the fee for compliance inspections to \$100. This fee is applicable to all compliance inspections completed for proposed and under construction cases. The fee also applies to compliance inspections completed for Special Adapted Housing purposes.

**Why Is This Change Being Made**

This change is being made to bring VA compliance inspection fees in line with what the Department of Housing and Urban Development is allowing for similar services.
