**C & V MEMO 02-02**

To: Fee Appraisers

SUBJ: Requests for hard copy LAPP appraisals

1. As you know, the Department of Veterans Affairs (VA) is actively promoting the full usage of ecommerce. This initiative benefits fee personnel through reduced postage costs.
2. Lenders have been encouraged to request the email submission of appraisal reports, and to input Notices of Value (NOVs) into The Appraisal System (TAS).
3. As a further inducement, please print the Word document attachment below and reproduce copies as necessary. One copy should be mailed to the requester along with all hard copy LAPP appraisal submissions, to be placed on top.
4. When asked for a copy of any type appraisal report, always request the email address.
5. Questions concerning this procedure should be referred to a staff appraiser at 1-888-232-2571, x-3117. Thanks.
