**C&V MEMO 03-02**

To: Builders, Lenders, Compliance Inspectors, Fee Appraisers

Subj: Compliance Inspection Fee Increase

1. Effective immediately, the VA Compliance Inspection fee is increased to \$100.00. This pertains to services for Compliance Inspections and NOV required repair inspections performed by fee appraisers this date and afterward in the states of Arkansas, Louisiana, Oklahoma and Texas.
2. A copy of this memo may be distributed to affected parties and should accompany your invoices for a period of the next thirty days, and afterward should this fee come into question. Lenders and builders should also be referred to our website, [www.vahouston.com](http://www.vahouston.com), C&V database, for additional confirmation.
3. SAH Compliance Inspection fees are authorized in writing in advance of services, and the fees for such outstanding authorizations were based on the former fee structure. There is no need to request revision of these authorizations you have received, simply charge \$100.00 for services completed this date and afterward. New authorizations will reflect the revised fee.
4. This rescinds all previously published data concerning VA Compliance Inspection fees.
5. Questions concerning this subject may be addressed to Ms. Janice Hamacher of the Houston RLC at 1-888-232-2571, x-3117. Thanks.
