APPLICATION INFORMATION AND INSTRUCTIONS FOR VA FORM 21-0304

IMPORTANT - Please read information and instructions before completing attached application.

Children of Women Vietnam Veterans Born with Certain Birth Defects - 38 U.S.C. 1815

This section of the law authorizes the payment of monetary benefits to, or on behalf of, certain children of female veterans who served in Vietnam. Benefits are payable to qualifying children, or on their behalf, beginning December 1, 2001. There are three eligibility requirements.

To be eligible, the child must:

• be the biological child of a woman veteran who served in the Republic of Vietnam (RVN),

• have been conceived after the date the veteran first served in the RVN during the period 2/28/61 to 5/7/75, and

• have certain birth defects identified by the Secretary of Veterans Affairs as resulting in permanent physical or mental disability.

The law does not include conditions that are:

• a familial disorder,

• a birth-related injury, or

• a fetal or neonatal infirmity with well-established causes.

Department of Veterans Affairs

Note: Completion of VA Form 21-0304, Application for Benefits for a Qualifying Veteran's Child Born with Disabilities, is required. The effective date is December 1, 2001.

Spina Bifida Benefits Eligibility

38 U.S.C. 1805: Vietnam

Monetary benefits may be paid to, or on behalf of, children of veterans who served in the RVN.

To be eligible for monetary benefits, the child must:

- · be the biological child of a veteran who served in the RVN and was exposed,
- have been conceived after the date the veteran first served in the RVN during the period 1/9/62 and 5/7/75, and
- have any type of spina bifida other than spina bifida occulta. The diagnosis may be established by private physicians, or government or private institution examination reports.

<u>38 U.S.C. 1821</u>: Korea

Monetary benefits may be paid to, or on behalf of, children of veterans who served in or near the demilitarized zone (DMZ) in Korea.

To be eligible for monetary benefits, the child must:

• be the biological child of a veteran who served in or near the DMZ in Korea, and was exposed,

- have been conceived after the date the veteran served in or near the DMZ in Korea during the period 9/1/67 to 8/31/71, and
- have any type of spina bifida other than spina bifida occulta. The diagnosis may be established by private physicians, or government or private institution examination reports.

38 U.S.C. 1822: Thailand

Monetary benefits may be paid to, or on behalf of, children of veterans who served in Thailand.

To be eligible for monetary benefits, the child must:

- be the biological child of a veteran who served in Thailand at any United States or Royal Thai base, including any United States or Royal Thai bases on the coast of Thailand, and was exposed,
- have been conceived after the date the veteran served in Thailand during the period 1/9/62 to 6/30/76, and
- have any type of spina bifida other than spina bifida occulta. The diagnosis may be established by private physicians, or government or private institution examination reports.

General Information

Possible Entitlement: The law does not allow payment of both benefits at the same time. If entitlement exists under both laws, benefits will be paid under 38 U.S.C. 1815.

Health Coverage: The law allows health care covering the defects or any disability associated with the birth defects. This care may be provided directly or by contract.

Vocational Rehabilitation: If achievement of a vocational goal is reasonably feasible, a program of vocational training provided by VA's Vocational Rehabilitation and Employment Service is available to an eligible child.

Monetary Allowance: The law includes levels of monetary allowance, each based on the level of disability of the eligible child.
