

35% EXEMPTION REQUEST FROM 85/15 REPORTING REQUIREMENT GENERAL INFORMATION

Use this VA Form 22-10216 to request exemption of the routine reporting requirements of the 85/15 rule as required by [Title 38 United States Code \(U.S.C.\) 3680A\(d\)](#) and [38 Code of Federal Regulations \(CFR\) 21.4201](#).

In order to be eligible for this exemption, your Educational & Training Institution's number of VA beneficiary students in all programs approved for GI Bill must not exceed 35% of the total enrollment at the educational institution (computed separately for the main campus and any separately approved branch campuses of the institution).

The 35% exemption is based on total student enrollment at the school versus enrollment of students receiving VA funding and is calculated without regard to full-time equivalency. Each student enrolled is counted as one (01) student. This is different than the 85/15 enrollment ratio calculation, which is based on supported students versus non-supported students, and which is calculated based on full-time equivalency (FTE).

ACCREDITED SCHOOLS: To request the 35% exemption, a copy of this form must be uploaded to the VA Education File Upload Portal, which can be accessed from any browser at <https://www.my.va.gov/EducationFileUploads/>.

NONACCREDITED SCHOOLS: To request the 35% exemption, a copy of this form **AND** a completed VA Form 22-10215 (Statement of Assurance of Compliance with 85 percent enrollment ratios) for the corresponding term or enrollment period must be uploaded to the VA Education File Upload Portal, which can be accessed from any browser at <https://www.my.va.gov/EducationFileUploads/>.

NOTE FOR NONACCREDITED SCHOOLS ONLY: This exemption applies only to the submission of routine reports. Your Educational & Training Institution (ETI) remains obligated to maintain compliance with the provisions of the 85/15 rule for all programs approved to receive GI Bill ® benefits and must provide 85/15 calculations for any term requested by a VA employee or State Approving Agency representative.

Educational & Training Institutions must submit the exemption request:

- No later than 30 days after the beginning of the first term for which the school wants the exemption to apply if the school is organized on a standard-length term basis.
- No later than 30 days after the beginning of the first non-standard-length term for which the school wishes the exemption to apply if the school is organized on a non-standard-term basis.

VA Beneficiary. Any student who is receiving any amount of payment from the VA for their training (such as through GI Bill benefits or Veteran Readiness and Employment benefits).

For additional guidance on the 85/15 rule see the [85/15 Rule webpages](#).

INFORMATION AND INSTRUCTIONS FOR COMPLETING THE 35% EXEMPTION REQUEST

VA EDUCATION SERVICE HELP AVAILABLE - If you need help calculating your facility's potential eligibility for the 35% exemption, or have questions concerning the 85/15 rule, contact the [Education Liaison Representative](#) of jurisdiction.

NOTE: The numbers on the instructions match the item numbers on the form. Items not shown are self-explanatory.

BLOCK 1. Provide the full name of your institution as listed on the Web Enabled Approval Management System (WEAMS) 22-1998 report.

BLOCK 2. Provide your institution's VA assigned facility code. Do not provide any spaces or hyphens in this section.

Note: Separate exemption requests (and calculations) are required for the main campus and any branch campuses with separate administrative capability seeking the 35% exemption. Branches and extensions without separate administrative capability are part of the main or branch campus under which that extension is approved.

BLOCK 4C - VA Beneficiary Student Percentage. The result of students provided in the "Total Number of VA Beneficiary Students" column divided by the "Total Number of Students" column.

35% CALCULATION EXAMPLE:

Total number of students enrolled at your school: 1,000
Total number of VA beneficiaries enrolled at your school: 250

To calculate the percentage for 35% exemption:
Divide the number of VA beneficiaries (250) by the total number of enrolled students (1,000).

$$250 \div 1,000 = .25$$

To convert the quotient to a percentage, move the decimal point two spaces to the right and add the % sign after the last digit:

$$.25 = 25\%$$

BLOCK 4D - Date of Calculation. Provide the date the 35% calculation was performed. This date must be on or after but not later than 30 days after the start date of the term.
